

Manar Morales President & CEO The Diversity & Flexibility Alliance

National thought leader on
the future of work,
workplace flexibility,
women's leadership, and
diversity & inclusion

Manar Morales is the Founder, President & CEO of the Diversity & Flexibility Alliance, a think tank that collaborates with organizations to transform organizational cultures. Manar is a published author, speaker and national thought leader on the future of work, workplace flexibility, women's leadership, diversity and inclusion.

For the past ten years under Manar's leadership, the Alliance has provided research, practical data-based advisory services, and training workshops that increase organizational effectiveness through diversity and flexibility. Manar has advised hundreds of law firms, Fortune 500 corporations, and national trade associations. The Alliance is at the forefront of work on the intersection of flexibility and diversity.

Manar began her career as an employment litigator representing clients in all aspects of labor relations and employment law. In addition, Manar served as an adjunct faculty member of Georgetown University where she taught classes in Labor and Employment Law and Entrepreneurship.

Manar is a member of the President's Council of Cornell Women and the International Women's Forum.
